## SOS Reclaims State Championships

By Skip Thompson

**T**his year marked the occasion of the 30<sup>th</sup> Annual Michigan Masters Swimming State Championships. About 315 swimmers from 26 teams churned up the waters of Eastern Michigan University's Michael Jones Aquatic Complex during the weekend of April 12-14, to participate in this traditional event.

*The South Oakland Seals won their 13<sup>th</sup> Large Team Championship in the last 14 years.* It was the team's 15<sup>th</sup> overall title in their 28-year history. SOS won all three Large Team categories (Men, Women, Combined).

Battle Creek YMCA (BCYM) won the Small Team Combined Championship for the 3<sup>rd</sup> year in a row and the 4<sup>th</sup> time since 1994. Battle Creek also won the Men's Small Team Championship, which was their seventh

## Aloha, Michigan Masters Swimmers!

### USMS Nationals:

Just trying to keep the feeling and vision of Hawaii alive, while we consider the possibility of frost in Michigan. We had a lovely time in Hawaii at Short Course Nationals. Congratulations to Don Korten, Miriam Carlson, Jackie Yu, and Sally Guthrie on their National Championship wins.

Don had some bad luck in a couple of events but he swam just great in the other four which he won. Miriam's 200 Fly went stroke for stroke for eight lengths but she just dug in on that last length; she was also the third woman out of the roughwater Open Ocean Swim, that many of the rest of us also swam,

with 350 other swimmers.

Jackie had the greatest start on her 50 Fly; we think Joe Schall got a photo of it for her first National gold medal. Sally dived in for her 1650, had her goggles slip down to her mouth, pulled them down to her neck on her first turn, and never let up for 65 more lengths to win her first National Championship. Bravo!

All the rest of us had many good swims, in the pool and in the Ocean Swim, which of course, I loved, despite, or because of...the waves, the undertow and the outgoing tide...and watching the fish swim under me and looking up and seeing Diamondhead alongside. What a thrill!

The Hawaiian hospitality at the meet,

the spirit of Aloha, was outstanding, and we especially thank the Kaguni family for their gracious gifts for Michigan Masters' swimmers.

p.s.: Though I didn't get to Y Nationals, congratulations to all those who went and swam, as well as to those who went to New Zealand and the World Championships, and Canada, too!

### State Championship:

Congratulations to all the swimmers, particularly new winners and new swimmers, for participating in our largest Championship ever. It's great to see so many young people getting involved in Masters, at the same time, having so many middle-aged and older swimmers continuing to

non-combined title in a row over the last 7 years. The Farmington YMCA Hydrofoils won the Women's Small Team Championship which was their first championship since taking the Women's title in 1991 for their second non-combined title in their history.

25 State Records were set during the course of the meet with Jay Mahoney (35-39) getting 5 out of the 7 events he swam. Don Korten (75-79) and Martha Forster (85-89) each got 4 records in their age groups. Randy Parker (45-49) got 3 in the breaststroke events for the second year in a row. Kathy Kreps (40-44), Cameron Mull (25-29), Butch Yerian (30-34), Frank Thompson (50-54), and John Ries (70-74) got two each in their age groups. Ann Jablonowski (25-29) 50 Fly, Corrin Popps (35-39) 50 Fly, Sherry Puthoff (50-54) 200 Fly, Dorothy Vencelov (80-84) 200 Free, Gary Morton (40-44) 200 IM, Doug Markusic (60-64) 200 Breast, and Ron Alsobrook (70-74) 50 Breaststroke got single event records. 12 swimmers won a maximum of 7 events (8 Women and 4 Men). Results and High Point Awards for both Team and Individuals are included in this newsletter.

A well deserved thank you goes out to all the volunteers for the planning and execution of the meet. This was the 4<sup>th</sup> time this facility hosted this event and as always Michigan Master appreciates their efforts. Special thanks go out to George Newman and Ken Shively for their always excellent officiating conducting during the meet. And finally, a thank you is deserved to all of the 315 swimmers that swam in the 30<sup>th</sup> annual meet.

# FITNESS IS OUR FINEST ACHIEVEMENT!

By Mary Williams

**The Masters Mileage Marathon**  
*may not be what  
 you're planning on.*

**But don't be a couch potato fool –**  
**Be cool and hit the pool!**

So maybe you don't really like competing—no competitive background—don't like performing in public—discouraged when you see the big shooters whiz past you in the pool.

And perhaps knowing that others have already clocked hundreds of miles makes you wonder why to even bother entering. But remember that there are times when . . . "The race is not to the swift, nor the battle to the strong . . . but time and chance happens to us all. . ." (Ecclesiastes). And those who take the time to work out and risk the chance of placing last are still winners, because the most valuable prize we earn along the way is the fitness we gain in the process!

Just the daily recording of your yardage will prove to be an incentive to keep you focused on the end result – your health. When you pick up your journal, you'll want to see the numbers adding up, not empty pages! And the older we get, the more we can appreciate the quality of life we have as a direct result of keeping fit.

At my 50-year high school class reunion in 1999, we learned that 25% of our classmates were no longer with us, and many others are in nursing homes.

A recent report from the Surgeon General stated that **61% of American adults are overweight** and that this is a national health problem, considering the costs resulting from heart

attacks, strokes, diabetes and other diseases related to obesity. **Wouldn't you rather be a part of the solution, than part of the problem?**

So, don't delay, send in your entry to Jennifer Parks today!

**Note:** Hope to have lots of you participating in this event! I just passed 500,000 yards for the year and am aiming for 300 miles (approximately 528,000 yards...I only counted in yards because I didn't swim meters very much!) Think it's time we did something for charity, too! Can't wait to see Skip and Don knocking out those yards, but watch those shoulders! JP

# From the Registrar

## State Meet takes registration to new heights!!

The interest in this year's State Meet increased registrations by at least 50. The current total is **673 members**. We are on track for a record membership in 2002!

Special thanks to Skip Thompson who handled registrations in my absence (vacation) - and there was a wave of last minute registrations.

Which brings me to the request that you all register at the first of the year or at least don't wait to the last minute - in case your Registrar goes on vacation and takes the computer with him....again!

Again, congratulations to Skip, SOS, and everyone who attended this year's State Meet.

Keep swimming,  
Jim Coleman – Registrar

swim year after year. Special congratulations to Paul Wright for his well deserved Service Award. He also won the "Lynne" Award for Courage and Tenacity, which is given to swimmers who have overcome an illness or injury and continue swimming, in honor of our past, late President, Lynne Weir. Specials kudos are given to Larry Day for his magnificent swims last year and his receiving the Performance Award. Thank you to Skip Thompson, SOS, our efficient officials, and all the hardworking Eastern Michigan crew that timed and typed all the results. It really takes an enormous amount of work to put on such a meet.

## Summer Meets and Open Water Swims/Michigan Mileage Marathon:

I encourage all our members to participate in summer meets at MSU, Ann Arbor and Dearborn and the various open water swims at Waterloo, Belle Isle, Grand Haven, Lake Erie (2 Mile National Championship), Harbor Springs, and Big Shoulders in Chicago (changing to Saturday after Labor Day). I hope that many of you will be able to attend the Long Course National Championships at Cleveland State. It's really fun to have a lot of relays!

Those of you who leave us for Triathlons in the summer, come on back in the fall for some more fun! For those of you who are busy in the summer with family and vacations, try our Michigan Masters Mileage Marathon. Just count your yardage per month; it costs \$10 and the money will go toward Learn to Swim programs for children, just write or call me for the forms.

Miriam Carlson tells me that she has swum almost 500,000 yards in the first four months of this year (she's 25); I went about 150,000 through April (I'm 58), down a little bit because of illness; Allison Badger (she's 36) has gone over 200,000; Don Kroeger's goal is to swim a million yards this year. There will be certificates and awards at the end of the year. And I'll try to figure out how far you might have swum along Michigan's many coasts at the end of the year. More yardage updates in September!

Remember that we'll have an information meeting for planning next season's schedule during the pizza lunch, following the Dearborn meet on July 21.

Have a great Michigan summer. See you in the pool or lakes. JP

# 2002 Michigan Masters Award Winners

By Skip Thompson

Every year Michigan Masters Swimming gives two special awards presented at the State Championship Meet. Since 1978, the Lawrence Award is given annually to those who have achieved outstanding performances in masters swimming representing Michigan Masters.

The Chetrick Award has been awarded since 1977 and is given annually to those who have given outstanding service and/or best exemplify the spirit and commitment to Michigan Masters Swimming.

This year's Lawrence Award recipient was **Larry Day**. In 1969, he was the Michigan High School State Champion in the 100-Yard fly. After a great college career at the University of Michigan in which he was All-American taking 12<sup>th</sup> place in the 200 Fly at the 1971 NCAA Championship, he started swimming competitively in masters in 1977.

This year he became the first male swimmer in Michigan Masters history to win all 3 distances (50,100,200 Fly) in both 2002 USMS Nationals (SCY/LCM) for his age group in a particular stroke resulting in 6 National Championship meet titles. In the current 2001 SCY/LCM Top Ten rankings Larry had six 1<sup>st</sup> places, four 2<sup>nd</sup> places, and two 3<sup>rd</sup> places in 12 events entered and swam.

He was named a USMS Masters All-American for and for the Year 2001

(Continued on page 7)

was the only Male Pool All-American for Michigan Masters. He set 2 World Records and 5 National Records. He has career total of 1 World and 8 National Championship meet titles. This year was the second time he became an All-American the other was in 1992 when he became a World Champion (40-44) age group in the 100 LCM Fly at the World Championships and was 1<sup>st</sup> in both the World and National Top-Ten LCM rankings. Great swimming Larry and good luck in the future.

The year's Chetrick Award recipient was **Paul Wright**. Paul started swimming competitively in Masters swimming in the fall 1992 after swimming in High School at Ann Arbor Pioneer and swimming 1 year at EMU. He has been both Newsletter Editor, Vice President of Swimming, Team Rep, and Coach of his local FAST swim team.

In 1997, he became the Records & Top-Ten Chair for Michigan Masters swimming a position he still holds today. He has implemented a system and guided Meet Directors in the use of meet management software to do meet results and for top ten submissions. He has also helped get meet results on the Michigan Masters website and the newsletter in a timely manner. Besides these duties he has been the Meet Director and Volunteer for the FAST Brighton meet for many years.

Paul's swimming accomplishments are mainly breaststroke events. In 1996, swimming in the 40-44 age group Paul took 8<sup>th</sup> place in the 200 Breast in the SCM Top-Ten. In the 1996 LC Nationals at U of M Paul took 11<sup>th</sup> place in the 100-Meter Breast. He has participated in every State Meet since 1993 when he joined the organization. Also this year he received the Lynne award for showing "courage and tenacity" for continuing to swim despite illness and injury. Congratulations Paul and good luck in the future.

MICHIGAN MASTERS SWIMMING

June 1, 2002

**WANTED!! T-SHIRTS:** Send or bring a Michigan Masters T-shirt from any swim, from any vintage, (Wally Dobler gave me one from the 1979 Nationals in Dearborn) in Michigan, to give to Andrea Funk from CATS. She is going to make a new Michigan Masters banner, with all our T-shirts as background, hopefully in time for the Cleveland Nationals.

Bring to the MSU meet, or if not, then Ann Arbor, or Dearborn. Thanks! JP

p.s. Andrea does such a great job on her quilts and she's already made a banner for PNA that they love.

**Attention Team Representatives: Deadline for the  
September 2002 Issue  
is August 15, 2002**
