The Natatorium will be configured as an eight lane, 25 meter course. An additional 25 meter pool will be available for continuous warm-up. The diving pool will be off limits at all times. Seating and changing rooms will be provided for all swimmers and spectators. All events will be electronically timed using a Colorado Timing System. Swimmers names and times (running, splits and final) will be displayed on an alpha-numeric scoreboard. No backup timers will be provided, although manual backup buttons will be available. If a swimmer feels uncomfortable with the use of the electronic timing pad as the sole source of results, he/she must provide his/her own manual backup timer.

To arrive at Canham Natatorium:

- Exit I-94 at the State Street exit (#177)
- Proceed North 2.0 miles on State Street over the railroad tracks and under Stadium Blvd overpass.
- On your left (West) is the University of Michigan's Athletic Complex, signified by a long brick wall. Turn left directly after Yost Ice Arena. This is 50 meters before the stop light at the intersection of Hoover and State streets.
