Midland, March 5 or 12, 1989

FEES

Your 1987-88 U. S. Masters Swim Registration expires November 1st. You may participate in the October Meets without re-registering. You must register for the 1988-89 year to participate in any meet after November 1st. You may register at the meets or send in the enclosed entry blank with your payment.

You will not receive any Newsletters after the December Newsletter unless you are registered for the 1988-89 year.

The fee for USMS and Michigan registration has gone up this year due to an increase in the national fee prompted by increasing insurance costs. The new fee will be \$17.00. The Michigan Masters portion of the fee has not increased. The portion of the meet fees going to the Michigan Masters will remain at \$1.50.

MASTERS ANNUAL MEETING NOTES

Membership stood at 450 as of the State Meet. With summer member applications we should have record membership.

Ann Arbor is the tentative State Meet site for next year. Failing that SOS will sponsor the Meet at OCC.

Members voted to strongly recommend future State Meet directors offer a two tier fee structure. One, a flat fee for entry and the maximum number of events. The other, an entry fee plus a per event fee. The fees would be the same for both methods at two events. For one event the second method would be less expensive. For three or more events the first method would be less expensive.

Members voted to recommend that swimmers be limited to three events per day plus relays at the State Meet.

The Financial report showed sufficient cash to carry us through early season expenses this year.

Tom Spear needs to know who and when people want to put on meets in the upcoming season. You need a sanction number and meet packet from him.

Meet packs will be updated to include copies of the USMS insurance policy and to include necessary addresses.
