MICHIGAN MASTERS

Short Course State Championship Swim Meet

April, 7 1991 (Oakland Community College)

April 13 and 14, 1991 (Western Michigan University)

Host Organizations and General Information:

The Kalamazoo County Family YMCA, The Kalamazoo Masters and Southwest Michigan Swimming (SWYMS) Parent Booster Board are the Host Organizations for the 1991 Michigan Masters State Championships. We are looking forward to an exciting weekend and a well organized event for participants and spectators alike.

Swimmers from the Eastern Michigan area are encouraged to swim the 1000, 1650 Freestyle and the 400 IM on Sunday, April 7 at Oakland Community College.

All events will be offered on April 13, 14 at WMU except the 1650 Freestyle.

Facilities:

Western Michigan University--Lawson Ice Arena building--Gabel Natatorium is a six lane 25 yard pool with an adjacent diving pool for continuous warm-ups during the meet. The timing will be electronic with manual backup and horn start. Kiefer non-turbulent lane lines will be used. Bleachers seating for spectators and swimmers.

Rules:

This is a U.S. Masters Swimming sanctioned meet. USMS rules apply and will be observed. A non-Michigan swimmer or team can neither establish a State record nor score team points. A swimmer must be a registered Masters (USMS) swimmer. If you have previously registered with USMS but have not received a card, indicate "applied for" on your entry form and this will be verified with the Michigan registrar. If you have not previously registered, enclose the attached USMS registration and payment with your entry. Any non-verifiable USMS number will be forced to deck enter. Swimmers of any team not following USMS rules will be forced to swim unattached. You may register for USMS at the meet.

Seeding:

All events will be timed finals and seeded slow to fast. The fastest six seed will be in the last heat, seeds 7-12 in the second to last heat, etc. Men and women will be seeded into the same heats according to seed times. Deck entries and "no time" entries will be seeded in the slowest heats. All events will be preseeded except the 400 IM, 500 free, 1000 free, 1650 free, and relays. Consult the heat sheets that you will receive at the meet for your heat and lane assignments. It is the swimmers responsibility to report to the proper heat and lane. Failure to appear will be considered a scratch and you will not be allowed to swim in another heat of the same event.

Age Groups:

Age on April 14 (last day of the meet) determines entry age for the entire meet. Individual events: 19-24, 25-29, 30-34, 35-39, 40-44, 45-49, etc. through 80+. Relay events: Determined by the sum of relay swimmer's ages: 76+, 100+, 160+, 200+, 240+, 280+, 320+.
