

Michigan Masters Newsletter

Summer, 1989

This is the last newsletter of the 1988 - 89 swim year. Results from several meets are enclosed, along with fliers for events scheduled this summer. At the close of this year, 450 swimmers belong to the Michigan Masters organization. The following officers were elected at the board meeting that was held during the State Meet:

Marilyn Early - President

Skip Thompson - Vice President

Ginger Avery - Awards

Molly Egan - Newsletter

They join Bob Isbister, Long Course and Men's Short Course Records, and Maria Kuznia, Women's Short Course Records. Skip Thompson will continue as Treasurer for one year.

We would like to thank Tom Spear, outgoing President, and Chuck Enright, outgoing Newsletter editor, for their outstanding efforts in their offices over the past years.

REMINDER

There is only ONE USMS-registered masters swimming club in Michigan, namely Michigan Masters. Whenever you travel out of state or out of the country for meets, please list your club as Michigan Masters. If you list your club as Lansing, Lapeer, SOS, etc., the meet sponsor could reject your entry or require you to compete unattached. This is particularly important for national championship meets.

1989 STATE MEET

The State Meet held at the University of Michigan pool was a success. Fifty state and four national records were broken over the course of the three days. Many thanks to the meet directors and all the volunteers for the planning and execution of the meet. Two annual awards were presented at the meet. The Lawrence award for best swimmer went to Charlie Moss. The Chetrick award for service to the Michigan Masters organization went to Marilyn Early. Congratulations to them both!

STATE MEMBERSHIP MEETING

New officers were elected to two-year terms. Issues that were voted on:
Should all meet results be included in the newsletters? YES
Should there be a two-fee structure for Masters registration (e.g. a surcharge for people who purchase their cards after January)? UNDER ADVISEMENT
Should there be an per-day event limit at State Meet (currently, it is three per day)? SHOULD BE AT THE DISCRETION OF THE MEET DIRECTOR

Gail Dummer and Charlie Moss are thinking of submitting a bid for the 1991 USMS Long Course Championships to be held in Ann Arbor in conjunction with the U of M. This was discussed at length, and

could be a positive boost for Masters Swimming in Michigan. The last national meet in Michigan was August, 1979. The potential bid would be submitted at the USMS convention this fall. For more information, contact Gail or Charlie.

MEET DIRECTORS PLEASE NOTE

The deadline for the Fall newsletter is
