### New Meet Scheduling Procedure

A new procedure for scheduling Michigan Masters swim meets will go into effect with the meets scheduled for the upcoming indoor season. If you are interested in organizing a meet for next fall, winter, or spring, please follow the directions on the form included in this newsletter. The *entire* 1990-91 schedule will be determined based on the information submitted on these forms.

### 1990 State Meet

185 swimmers participated in the State Meet held at the end of March at Michigan State University. Forty state records (twenty-five women's and fifteen men's) were broken during the course of the meet. Many thanks to the meet directors, Lansing Masters, and the MSU women's swim team for the planning and execution of the meet. (FYI - Kalamazoo will be the site of the 1991 State Meet; tentative dates are April 13 and 14, 1991)

### 1990 Michigan Masters Awards

The two annual awards, the Lawrence Award for Best Swimmer and the Chetrick Award for service to Michigan Masters, were presented during the State Meet. The Lawrence Award was given to **Dan Stephenson**. In 1989, Dan swam the fastest times in his age group for nine events. USMS, in conjunction with The Finals, selected Dan National Swimmer of the Year in his age group (30 - 34). The Chetrick Award went to **Jennifer Parks**. Jennifer has been a delegate to the USMS convention since 1972, has been active on the USMS Legislative Committee for many years, and has been involved as a Meet Director for five State Championship meets. Congratulations to Dan and Jennifer!

The Committee has decided to conduct a scheduling meeting so that interested clubs can negotiate meet dates and event selections which serve the needs of both swimmers and clubs. Clubs that wish to host a 1990-1991 short course meet must:

- (a) Submit the following bid form to Gail Dummer, 1547 N. Hagadorn #26, East Lansing, MI 48823 by July 1.
- (b) Send a representative to a scheduling meeting immediately following the Dearborn meet on Sunday, July 8. The entire 1990-1991 short course schedule will be determined at this meeting. Bring a lunch - we'll meet in the park next to the pool. Rain date: Wednesday, July 11 in Lansing.
